## **2015 ANNUAL GENERAL MEETING**

The Annual General Meeting of the Company will be held on Tuesday, 21 July 2015 at 10.30am at the Village Hotel, Pamir Drive, Ashton-under-Lyne, Tameside, Manchester OL7 0PG. Notice of the Meeting is set out on pages 4 and 5 of this document.

I provide below further information regarding certain resolutions which shareholders are to be asked to approve at the Annual General Meeting.

### **Resolution 2 – Directors’ Remuneration Report**

Shareholders are asked to approve the Directors’ Remuneration Report set out on pages 44 to 56 of the Annual Report of the Company for the financial year ended 31 March 2015. In accordance with the Companies Act 2006, this resolution is advisory only and is a means of providing shareholder feedback to the Board.

### **Resolution 3 – Dividend**

The Directors have recommended payment of a final dividend of 1.5p per Ordinary share for the financial year ended 31 March 2015. Shareholders are asked to declare the dividend. If declared, the dividend will be paid on 21 August 2015 to the holders of ordinary shares on the register at 6.00pm on 24 July 2015.

### **Resolutions 4, 5 and 6 – Election and Re-election of Directors**

The Directors retiring on this occasion by rotation in accordance with the Company’s Articles of Association are Richard Perry and Heejae Chae who are standing for re-election. Martin Sawkins, who was appointed to the Board since the last Annual General Meeting, offers himself for election.

A profile of each current Director is set out on pages 32 and 33 of the Annual Report of the Company for the financial year ended 31 March 2015. Following formal performance evaluation the Board has determined that all Directors are performing effectively and demonstrate commitment to their roles. Richard Perry joined the Company as a Non-Executive Director on 2 June 2005 and has served ten years on the Board. Notwithstanding the length of Mr Perry’s appointment, the Board considers that he remains independent in character and judgement and recommends that he is re-elected for a further year. Subject to his re-election, Mr Perry will continue to serve as the Company’s Senior Independent Director.

### **Resolution 9 – Allotment of shares**

Under Section 551 of the Companies Act 2006, the Directors may only allot shares or grant rights to subscribe for or convert any securities into shares if authorised by shareholders to do so.

Resolution 9, which complies with guidance issued by the Investment Association, will, if passed, authorise the Directors to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares, up to an aggregate nominal value of £2,429,554 (corresponding to 33% of the issued share capital as at 16 June 2015) and up to an additional aggregate nominal value of £2,429,554 (corresponding to a further 33% of the issued share capital as at 16 June 2015) in the case of allotments only in connection with a fully pre-emptive rights issue. The Directors have no present intention to exercise the authority sought under this resolution. However, the Directors may consider doing so if they believe it would be appropriate in respect of business opportunities that may arise consistent with the Company’s strategic objectives. The authority will last until the conclusion of the next Annual General Meeting (or, if sooner, 30 September 2016).

As at 16 June 2015, the Company does not hold any shares in the Company in treasury.

## **Resolution 10 – Disapplication of pre-emption rights**

This is a special resolution to renew the Directors' authority to allot shares for cash (or sell shares out of treasury) without first offering them to existing shareholders on a pro-rata basis. Although there is currently no intention to make use of this authority, the Directors consider that it is in the interests of the Company, in certain circumstances, for the Directors to have limited flexibility so as to be able to allot shares and/or sell treasury shares for cash without having first to offer them to existing shareholders.

The authority sought is limited, other than in relation to any rights issue, open offer or other pre-emptive issue, to shares having an aggregate nominal value of £736,228 corresponding to 10% of the issued share capital as at 16 June 2015. This figure of 10% (increased from 5% last year) reflects the Pre-Emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the "**Statement of Principles**"). In relation to any exercise of this authority, the Directors will have due regard to the Statement of Principles, which allow the Company in any one year to issue non-pre-emptively for cash an amount equal to 5% of the Company's issued share capital for any purpose and an additional amount equal to 5% of the Company's issued share capital in connection only with one or more acquisitions or specified capital investments. The Directors would also have regard to the guidance in the Statement of Principles concerning cumulative usage of authorities within a three-year period.

This authority will expire at the conclusion of next year's Annual General Meeting (or, if sooner, 30 September 2016).

## **Resolution 11 – Authority for purchase of own shares by the Company**

At the last Annual General Meeting held on 22 July 2014, shareholders passed a resolution authorising the Directors to make market purchases of the Company's own shares. Although no such purchases have been made, the Directors consider it appropriate for the authority (which expires at the forthcoming Annual General Meeting) to be renewed and undertake that the authority will only be exercised when they consider that such a purchase would result in an increase in expected earnings per share and would be in the best interests of shareholders. The Directors have no present intention of using such authority, but this position will be kept under review. The authority sought by special resolution will continue until the next Annual General Meeting (or, if sooner, 30 September 2016) and will limit total purchases to 14,724,571 ordinary shares, corresponding to 10% of the Company's issued share capital as at 16 June 2015.

Any shares purchased under this authority may be held in treasury as an alternative to cancelling them. The Directors will decide at the time of any such purchase whether, in the best interests of shareholders as a whole, the shares so purchased should be cancelled or held in treasury. Shares held in treasury may subsequently be sold for cash, transferred for the purposes of employees share schemes, or cancelled.

As at 16 June 2015, the date of publication of this document, the number of ordinary shares which would be issued upon full exercise of all outstanding options to subscribe for shares in the Company is 6,874,664. This would represent approximately 4.66% of the existing issued share capital and approximately 5.18% of the issued share capital as it would be if the proposed authority to purchase ordinary shares were to be granted and subsequently utilised in full.

## **Resolution 12 – Political donations**

Shareholders will recall that, as a result of the wide definitions originally introduced by the Political Parties, Elections and Referendums Act 2000, an appropriate precautionary resolution has been passed at each of the Annual General Meetings held since 2002 in order to avoid inadvertent infringement of the relevant legislative provisions, which are now contained in the Companies Act 2006 ('the Act'). While the Board does not believe that the Company has made any 'political donations' or incurred any 'political expenditure' pursuant to any of those resolutions, the authority granted by the resolution passed in 2014 expires at the forthcoming Annual General Meeting and the Board is therefore now seeking shareholders' authority by an ordinary resolution for the Company and its subsidiaries to make 'political donations' (to political parties or independent electoral candidates and, separately, to political organisations other than political parties) and incur 'political expenditure' (within the meaning of the Act) in each of these three cases up to an aggregate amount of £50,000 during the period up to the next Annual General Meeting (or, if sooner, 30 September 2016). Shareholders should be aware that it is not the policy of the Company to make political donations or incur political expenditure (in each case as commonly understood) anywhere in the world and that the Directors intend that this policy will continue whether or not resolution 12 is passed.

## **Annual Report and Accounts**

Copies of the Annual Report and Accounts of the Company for the financial year ended 31 March 2015 may be obtained from the Company Secretary, by application to the registered office of the Company or online from the Company's website at [www.scapa.com](http://www.scapa.com).

## **Action required**

You will find with this document a Form of Proxy for use in respect of your shares at the Annual General Meeting. A proxy may also be appointed, if you are a member of CREST, by using the CREST electronic proxy appointment service, further details of which are set out in note 3 to the Notice of Meeting, which can be found on page 5 of this document.

Whether or not you are able to attend the meeting, you are requested to appoint a proxy either by completing and returning the enclosed Form of Proxy, or through the CREST electronic proxy appointment service, in either case prior to the relevant deadline specified in note 2 or note 3, as applicable, to the Notice of Meeting. The appointment of a proxy will not prevent you from attending, speaking and voting in person at the meeting should you subsequently decide that you wish to do so.

## **Recommendations**

The Board considers the resolutions which are set out in the Notice of Meeting on pages 4 and 5 of this document, and which are to be proposed at the forthcoming Annual General Meeting, to be in the best interests of the Company and of shareholders as a whole and unanimously recommend shareholders to vote in favour of all such resolutions, as they intend to do in respect of their own beneficial holdings.

Yours faithfully

*James A S Wallace*

- 2 A member who is entitled to attend, speak and vote at the meeting is entitled to appoint a proxy to attend, speak and vote in his/her stead. A proxy need not also be a member. A Form of Proxy is enclosed. To be valid, the instrument appointing a proxy and the power of attorney or other authority (if any) under which it is executed (or a notarially certified copy of such power or authority) must be received by the Company's Registrars, Capita Asset Services at FREEPOST CAPITA PXS by no later than 10.30am on Friday, 17 July 2015. A postage stamp will not be required when mailing from the UK. Please note that the Freepost address must be completed in block capitals and that delivery using this service can take up to five business days. Alternatively, the Form of Proxy can be posted to the following address but a stamp will be required: Capita Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent, BR3 4TU. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such member. To appoint more than one proxy, you may photocopy the Form of Proxy. Please indicate the proxy holder's name and the number of shares in respect of which each proxy is appointed (which, in aggregate, should not exceed the number of shares held by you) and indicating how you wish each proxy to vote or abstain from voting. To abstain from voting on a resolution, choose the 'Vote withheld' box. A vote withheld is not a vote in law, which means the vote will not be counted in the calculation of votes for or against the resolution. You may not appoint more than one proxy to exercise the rights attached to any one share. The appointment of one or more proxies does not preclude a member from attending, speaking and voting in person at the meeting.
- 3 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited ('Euroclear') and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA10) by no later than 10.30am on Friday, 17 July 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- 4 In the absence of any indication as to how he is to vote on any resolution, the proxy will (whether he is appointed by the lodging of a Form of Proxy or through the CREST electronic proxy appointment service) vote for or against such resolution, or will abstain, at his discretion, as in each case he is entitled to do in respect of any procedural matters arising at the meeting.
