

Board Diversity Policy

The Board recognises the importance of diversity in its broadest sense in the boardroom as an essential element in maintaining Board effectiveness and a competitive advantage.

Diversity of skills, background, knowledge, international and industry experience, and gender will be taken into consideration when seeking to make new appointments to the Board and its Committees. All appointments will be made on merit, taking into account suitability for the role, composition and balance of the Board to ensure that the Company has the appropriate mix of skills, experience, independence and knowledge.

The Board will consider suitably qualified applicants for Non-Executive Director roles from as wide a range as possible, with no restrictions on age, gender, religion, ethnic background or current executive employment, but whose competencies and knowledge will enhance the Board. Independence and the ability to fulfil time commitments required will also be taken into account.

The Board will ensure that procedures are in place for orderly succession to the Board so as to maintain the correct balance and to ensure ongoing progression.
