

Load Your Gun For Performance.

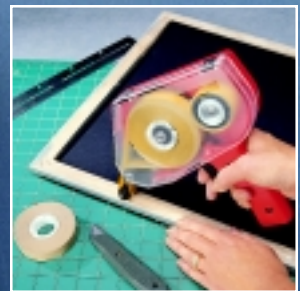

Scapa ATG tapes streamline the mounting and assembly of paper and plastic for the graphic arts industry.

Product features:

- Clean, consistent, easy application
- Universal core design fits all popular ATG applicators
- Available with permanent, repositionable, removable, and acid-free adhesive formulations
- Longer length rolls require less frequent changes
- TD200 now available in 1/4" width

Applications include:

- Mounting of signs, posters, and merchandising displays
- Graphic arts applications, picture framing, photo mounting, and product assembly

< *New snout design for applicator roll allows more pressure to be applied, resulting in increased adhesion.*

ATG TAPES

Product #	Description	Liner	Available Sizes	Total Thickness ¹ mils (microns)	Operating Temperature F (C)	Ultimate Peel Adhesion oz./in. (N/25 mm)	Shear ²	Tack ³	Application
4406	Permanent/Removable, unsupported acrylic adhesive transfer film exhibiting excellent resistance to UV light and good long-term aging properties.	Siliconized Paper	12mm x 33m 19mm x 33m 12mm x 55m 19mm x 55m	1 (25)	32 to 300 (0 to 150)	15,5 (5,2)	N/A	H/L	Mounting of signs, posters, and merchandising displays where items eventually have to be removed without leaving adhesive residue.
T002	Repositionable, acid-free unsupported acrylic adhesive transfer film. Exhibits high initial tack and ultimate bonding power.	47# kraft	12mm x 33m 19mm x 33m 12mm x 55m 19mm x 55m	1.6 (40)	32 to 360 (0 to 180)	25 (7)	H	M	Graphic arts applications, picture framing, photo mounting, and product assembly.
TD200	Permanent unsupported acrylic adhesive transfer film.	50# kraft	1/4" x 36yd. 1/2" x 36yd. 3/4" x 36yd.	2 (50)	-40 to +250 (-40 to +121)	160 (44)	H	M	Graphic arts applications, picture framing, photo mounting, and product assembly.
TD201	Permanent unsupported acrylic adhesive transfer film.	42# kraft	1/2" x 60yd. 3/4" x 60yd.	2 (50)	-40 to +250 (-40 to +121)	160 (44)	H	M	Graphic arts applications, picture framing, photo mounting, and product assembly.
TD500	Heavy-duty unsupported acrylic adhesive transfer film.	50# kraft	1/2" x 18yd. 3/4" x 18yd.	5 (125)	-40 to +250 (-40 to +121)	195 (54)	H	M	Graphic arts applications, picture framing, photo mounting, and product assembly.
UP2040RW	Permanent unsupported acrylic adhesive transfer film.	76# lay-flat	1/2" x 36yd. 3/4" x 36yd.	2 (50)	-40 to +200 (-40 to +93)	75 (21)	M	H	Graphic arts applications, picture framing, photo mounting, and product assembly.
UP5040RW		76# lay-flat	1/2" x 18yd. 3/4" x 18yd.	5 (125)	-40 to +200 (-40 to +93)	150 (41)	M	H	
TD-1	Hand-held tape dispensing system.	—	—	—	—	—	—	—	For use with unsupported acrylic adhesive transfer films.

¹ Total Thickness excludes liner.

² Shear Ranges (4.4 psi load):

L = < 2 hrs. M = 2-24 hrs. H = 24 hrs. to 1 week VH => one week

³ Tack Ranges: L = < 1 psi M = 1-2.5 psi H = > 2.5 psi
