

The furniture industry, driven by the latest market trends and fashion dynamics, needs to react quickly to changing consumer tastes. Designs become more sophisticated, and attention to finish is key. The Scapa specialist range of tape products allows manufacturers to achieve the highest quality in terms of state of the art aesthetics and refinement. Our products ensure a solid bond on new materials, allowing manufacturers the freedom to change their designs.

The Scapa specialist tape product range offers:

- Invisible bonding line – no screws or mechanical fixing required.
- Time saving – no curing or drying times required – a component is ready within minutes.
- Reduce your waste – products can be supplied in customised formats for specific requirements.

Surpass design limits:

- Mirrors of any size or shape can now be easily mounted using the Scapa specialist range of products.
- Choose from an unlimited selection of materials – our products bonds effectively to most surfaces.
- Follow the latest trends in the furniture design – one product works for most furniture assembly jobs.

For a superior
finish in
furniture making
